Helsinki Whiskey Rye Malt is a mellow Finnish rye malt whiskey. It is made using only the best Finnish malted rye and barley. It is distilled by hand and matured in carefully selected oak casks.

Barley gives Helsinki Whiskey Rye Malt a velvety smoothness, rye a spicy sweetness. It adheres to HDCO's philosophy of taste: it is important that all elements are well balanced.

As a guarantee of quality every numbered bottle comes with the signature of Master Distiller Mikko Mykkänen.

Nose: Vanilla and toffee from the oak cask, malted rye and freshly baked rye loaf from the distillate. Malts and dark chocolate.

Flavor: Rich mouthfeel. Aroma has notes of vanilla, dried apricots, caramel, licorice, herbs, coffee and cocoa. Malted barley balances the sweetness.

Aftertaste: Long, it lingers on the insides of the cheeks. Spiciness of rye whiskey is evident.

Alcohol content is 47,5 %, which brings out the whiskey's aromas. Few drops of water can be added to the whiskey if so desired.

RELEASE #4

Helsinki Whiskey Rye Malt Release #4 is our first release matured in regular size casks. It is a vating of two barrels, chosen by Master Blender Kai Kilpinen. They are 200 litre made with virgin American oak with a char level #3. They give the whiskey a beautiful golden colour and add balanced notes of vanilla and caramel. The whiskey has been matured for at least three years.
